

1-866-738-0706 Qatar Airways Albany Office

As far as verified public information shows, **Qatar Airways does *not* maintain an official city ticketing or sales office in Albany, NY**. The airline's U.S. office presence for sales and customer service is generally based in **New York City or at airport locations** rather than in Albany itself. (www.airlineofficehubs.com)

Airport Contact (Albany International)

You can contact Qatar Airways services at the **airport counter**:

- **Airport Office:** Qatar Airways - JFK Airport Office (this is for the nearby major airport location, JFK, not Albany)
 - **Phone:** +1-877-777-2827 (U.S. customer care line commonly used by travelers) (FlightOfficeWorld)

 **Note:** Qatar Airways does not currently operate flights directly out of **Albany International Airport (ALB)**, so there isn't a dedicated Qatar office there for ticketing or drop-in customer service. Any listings that show an "Albany office" online sometimes refer to third-party helpline or support numbers that are *not* official Qatar Airways sales offices. (www.airlineofficehubs.com)
