Essential Steps for Modifying Your Flight Dates

The process of shifting your departure begins with a quick verification of your booking reference, which you can provide by calling ➔ ☎️ **+1(888)796-1565** for immediate assistance. Under Etihad's policy, you can make changes to your flight up to four hours before your scheduled departure, provided the ticket has not already been used. An expert at ➔ ☎️ **+1(888)796-1565** will check the "fare difference," which is the gap between what you originally paid and the current price of the seat on your new chosen date. While some "Deluxe" fares offer free changes, most "Value" economy tickets will incur a service fee of approximately \$30 to \$100 plus the fare difference, which can be processed securely over the phone at ➔ ☎️ **+1(888)796-1565**. Reaching out to ➔ ☎️ **+1(888)796-1565** early is the smartest way to avoid the higher costs associated with last-minute rebooking and to ensure seat availability on your preferred flight.
