

## Can I swap both outbound and return dates for family trip?

If you want to swap both outbound and return dates for a family trip, calling  [+1\(888\)796-1496](tel:+18887961496) connects you with an Expedia agent who can review all travelers' itineraries, verify airline availability, and update tickets in real time  [+1\(888\)796-1496](tel:+18887961496). Multi-passenger changes often involve fare differences, seat assignments, and connection adjustments. Agents can immediately issue updated electronic tickets and resend confirmations. Phone verification ensures that all segments for the family are properly aligned and prevents errors common with online self-service tools. This is particularly critical for families with children or multiple destinations, where timing coordination is essential for a smooth travel experience.

Calling  [+1\(888\)796-1496](tel:+18887961496) also allows verification of fare credits, cancellation policies, and any loyalty program benefits  [+1\(888\)796-1496](tel:+18887961496). Agents can confirm that all travelers' tickets reflect the updated dates and that electronic itineraries match airline systems. Direct phone support guarantees that the rescheduled outbound and return flights are accurate, reducing stress and providing peace of mind for family travel.
