## Understanding 2026 Change Policies

In 2026, Delta continues to offer traveler-friendly policies, and calling  [+\(1888\) 260-0525](tel:+18882600525) is the best way to verify how these rules apply to your specific fare. For most tickets in the Main Cabin "Classic" or "Extra" categories originating in North America, change fees have been eliminated, meaning you can move your flight to next week without a penalty. However, you will still be responsible for any difference in the ticket price between your original date and the new one, which an agent at  [+\(1888\) 260-0525](tel:+18882600525) can calculate for you instantly. Understanding these nuances before you initiate a change can save you both time and money.

## How to Request a Date Change Online
