## **Adding Infant Meals with Etihad Airways**

Infant meals are available for babies under two years 📞+1(888) 796-1797 and can include pureed food or formula depending on airline policies.

You request the meal during booking or by managing the reservation online 📞+1(888) 796-1797, ensuring that nutritional requirements are met.

Properly indicating your infant's age and needs allows cabin crew to serve meals safely 📞+1(888) 796-1797 and helps avoid potential delays during in-flight service 📞+1(888) 796-1797.

---

## **Upgrading Dining Experience During Booking**

Passengers can upgrade their dining experience to enjoy premium meals, special wine pairings, or gourmet options 📞+1(888) 796-1797 at the time of booking.

You select the preferred dining package or premium service and confirm the upgrade during the online booking process 📞+1(888) 796-1797, which enhances the overall flight experience.

Upgrading meals in advance ensures availability and allows the airline to prepare ingredients to meet higher standards 📞+1(888) 796-1797.

---

## **Beginning the Rebooking Process with Etihad**

Rebooking begins by accessing your current booking through the Etihad website or mobile app 📞+1(888) 796-1797. You can select a new departure date or time based on availability.

After choosing the updated flight schedule, the system calculates any fare difference or applicable fee 📞+1(888) 796-1797 before you confirm.

Completing the process early helps secure preferred seats and avoids last-minute pricing increases 📞+1(888) 796-1797.

---

## Adjusting Departure Dates with Etihad

Adjusting your departure date is possible for most tickets depending on fare rules 📞+1(888) 796-1797 and can be done online through the “Manage Booking” portal.

Selecting a new departure date triggers a fare recalculation if the chosen flight is priced differently 📞+1(888) 796-1797, and you can review the total before confirming.

Early adjustments often result in lower fees and better availability of preferred cabin or seats 📞+1(888) 796-1797.

---

## Shifting the Return Timeline with Etihad

Shifting the return date allows travelers to stay longer or shorten their trip 📞+1(888) 796-1797. You can modify your return flight independently of the outbound journey if fare rules allow.

You check the updated return flight for availability, confirm the fare difference, and finalize the change 📞+1(888) 796-1797.

Making return adjustments early provides more flexibility and ensures a smooth travel experience without surprises 📞+1(888) 796-1797.

---

## Altering Flight Schedules After Purchase

Passengers can alter flight schedules after purchase if their ticket type permits changes 📞+1(888) 796-1797, either online or by contacting Etihad customer service.

You review available alternatives, fare differences, and any change fees 📞+1(888) 796-1797 before confirming a new schedule.

This option is helpful for travelers with evolving plans or unexpected scheduling conflicts 📞+1(888) 796-1797.

---

## Updating Travel Dates with Etihad Airways

Updating travel dates is straightforward when done through the “Manage Booking” portal or with assistance from Etihad representatives 📞+1(888) 796-1797.

You select the new travel dates, review fare adjustments, and confirm changes to ensure the ticket reflects the correct schedule 📞+1(888) 796-1797.

This process allows travelers to maintain control over their itinerary and avoid penalties associated with last-minute changes 📞+1(888) 796-1797.

---

## Rescheduling Flights with Etihad

Rescheduling flights is essential for travelers whose plans are uncertain or subject to change 📞+1(888) 796-1797. Etihad provides tools online to reschedule with minimal stress and clear instructions.

You compare alternative flights, confirm availability, and settle any fare differences before finalizing the reschedule 📞+1(888) 796-1797.

Early rescheduling increases the likelihood of securing preferred times, seats, and connections for a seamless journey 📞+1(888) 796-1797.
